## TIME AND TEMPERATURE REQUIRED FOR CAKE BAKING

Sponge cake . 275-325 degrees - 40 minutes to 1 hour

Loaf cake ... 325-350 degrees - 40 minutes to 1 hour

Cup cakes ... 350-375 degrees - 15 to 25 minutes

Layer cake .. 375-400 degrees - 20-30 minutes

## FOR THE COOKY JAR

Cooky dough that is to be rolled is much easier to handle after it has been in a cold place 10 to 30 minutes. This keeps the dough from sticking, even though it may be soft. If not done, the soft dough may require more flour and too much flour makes cookies hard and brittle; in rolling, take out on a floured board only as much dough as can be managed easily. Flour the rolling pin slightly and roll lightly to desired thickness. Cut shapes close together and keep all trimmings for the last. Place pans or sheets in upper third of oven. Watch cookies carefully while baking to avoid burning edges.

When sprinkling sugar on cookies, try putting it into a salt shaker. It saves time.

## ROAST TURKEY

Stuff and truss turkey; brush skin with cooking fat. Place breast up on a rack in a shallow open pan. Cover turkey with fat-moistened cheesecloth, large enough to cover top and drape down on all sides. Place in preheated oven, 325 degrees F. Do not sear; do not add water; do not cover. Basting is unnecessary, but if cloth dries during cooking, moisten it with drippings in pan. When meat thermometer registers 190 degrees F. (20 minutes before turkey should be done) test for doneness. Press fleshy part of drumstick between fingers; meat should feel very soft; or move drumstick up and down; it should move readily or twist out of joint. Roasting Time (stuffed ready-to-cook weight):

4 to 8-lb. turkey.....	3 to 4 hours
8 to 12-lb. turkey .....	4 to 5 hours
12 to 16-lb. turkey .....	5 to 6 hours
16 to 20-lb. turkey .....	6 to 7 1/2 hours
20 to 24-lb. turkey .....	7 1/2 to 9 hours

Roasting Time and Temperature (whole turkeys):

<u>Ready-to-cook Weight</u>	<u>Oven Temperature</u>	<u>Total Time (Hours)</u>
8 to 10 .....	325 degrees F.	4 to 4 1/2
10 to 12 .....	325 degrees F.	4 1/2 to 5
